

Knights of Columbus
Council 11028
Pawleys Island, SC 29585

To Whom It May Concern:

Over the last several years, Council 11028 of the Knights of Columbus have donated their time, talent and treasure to various charities in South Carolina, especially here in Georgetown County. Last year the Knights raised over \$20,000 through their Tootsie Roll drive; the proceeds of which directly benefitted the mentally handicapped. The Knights have helped many multi-denominational and secular organizations close to home, such as Baskerville Ministries, Joy School, and Special Olympics of Georgetown County, just to name a few.

Fund raising is one of the primary ways the Knights provide support to these organizations. To this end, the Knights of council 11028 have established the 200 Club to help them in these fund raising efforts. Last year the 200 Club raised just over \$5,100 for the Knights of Columbus charities, and this year the total should be close to \$5,300. On February 26, 2012, the 200 Club will be holding their annual fund raising kickoff dinner. We are asking businesses in the area to provide door prizes for this event.

For your contribution, you or your business will be mentioned in the program as a contributor, and you will be recognized during the evening when the prize is awarded.

Thank you,

Knights of Columbus
